

WT100C

The WT100C is ideal for cleaning and polishing weld beads, quickly and easily. This weld bead cleaner will save you time and money and removes the possibility of corrosion. When clean welds are essential for safety or aesthetics, such as stainless-steel decoration, kitchenware, chemical machinery, food machinery and other stainless-steel products, look no further than the Weldtech WT100C.

WORKSHOP SERIES

- Increases efficiency and reduces cleaning time
- Electro-Chemical reaction does not alter the surface finish
- Ergonomic and easy to use cleaning gun prevents short circuits for improved safety and reliability
- Built tough with safety features to prevent overheating and short circuits
- Automatic cleaning fluid supply for improved efficiencies
- Lightweight with carry handle for great portability

INCLUDES
Weld Cleaning Torch w/
spare brush head,
Earth Lead & Clamp,
Cleaning Pad

Two Optional Fluid Types Available:

- Eco-friendly Cleaning Powder
- Eco-Friendly Stainless Steel Polishing Powder

Specifications	
Supply Power	230V 50Hz / 10A Single Phase
Input Current Range	3A – 6A
Peak Voltage	50V
Duty Cycle	100% @10A, 80% @18A
Protection Class	IP21S
Fluid Capacity	2L
Weight	19kg
Dimensions (L x W x H)	500 x 400 x 420 mm
